The applicant is New Cingular Wireless PCS, LLC (dba: AT&T Mobility) with a mailing address of 2600 Camino Ramon, Room 3E450Z, San Ramon, CA 94583. They seek to obtain an air contaminant permit (Division identification number: 89-0177-01/67419) for an Electric Power Generator located at 230 H A Dillon Lane, McMinnville, TN 37110. This proposed operation would consist of a diesel fuel-fired electric power generator and associated equipment used to provide emergency backup electric power for a cell phone tower. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. E. King is the assigned Division person.

For the Warren County "Southern Standard"-- publish once on or before Thursday, July 11, 2013.
